# About the Cell

The Career and Counselling Cell of YMCA, Faridabad is a platform which brings up opportunities for all the students and help them sharpening their career.

The Cell was Established on 5<sup>th</sup> May, 2015 with the following objectives :

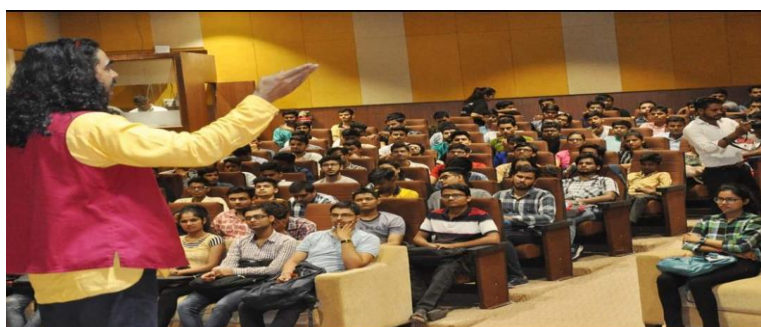

## OBJECTIVES OF THE CELL

1. To Help Students to chalk out academic and career roadmaps for themselves.
2. To Create awareness among the students about emerging professional trends and entrepreneurship and market needs etc.
3. To provide Guidance to the students on various options available for higher studies in India and abroad.
4. To help the students in the development of their strengths, sharpening their interests and planning for a satisfying future.
5. To provide guidance for personality development, positive attitude and interpersonal skills.
6. To promote Value System and National Integration among Students.

# CAREER FAIR

With a view to motivate and guide students for competitive exams, the Career and Counseling Cell of J.C. Bose University of Science and Technology, YMCA, Faridabad today organized a one-day Career Guidance Fair in the University premise.

The Career fair provided an insight to various career options for the students which include focus on higher studies, personality development and competitive exams. More than 15 academic institutions and training institutes for competitive exams set up their stalls at the Career fair and offered guidance and training opportunities to the University's students. More than three thousand students attended the fair to find a career best suited for them based on their aspirations and aptitude.
